Meet Cruxy the Penguin and his polar friends! Their favorite game is to carve words on the ice floes. Come and join them!

In this game, you will make up words with required letters and of the indicated length, and fill them in the crossword grid. The more set conditions you fulfill, the sooner you win! To make the game even more fun and exciting, use the powers of Cruxy and other animals – their special effects may influence other players and bring you closer to success at the same time.

Four different game modes, fifty double-sided boards of increasing complexity and a unique combination of literacy and strategy make Cruxy a new word in word board games!
